While every effort has been made to identify and contact copyright holders, it has not been possible to do so in every case. Any rights not acknowledged here will be acknowledged in subsequent editions if notice is given to the publisher.
Gary Baines is Senior Lecturer in History at Rhodes University. He completed his Ph.D. at Cape Town University and has published primarily on Port Elizabeth’s African population and South African urban history and culture. He is currently working on a study of jazz in postwar South Africa.

Leo Enticknap recently completed his Ph.D. thesis at the University of Exeter on the non-fiction film in postwar Britain. He has articles forthcoming on the newsreel series *This Modern Age* and the implications for film scholars of archival restoration projects, with reference to the recent re-release of *Vertigo*.

Adrian Fielder is currently completing his doctorate at Northwestern University on trends of globalization and urban cultures in postcolonial France and North Africa. His most recent publications include “The Tactical Poetics of Urban Nomadism,” in *Les Enfants de l’immigration*, ed. Ernstpeter Ruhe
